MESSAGE FROM THE BOARD PRESIDENT AND REPORT OF THE EXECUTIVE DIRECTOR

QPMA MISSION

To mobilize industry professionals, facilitate the marketing and promotion of the health benefits of fruits and vegetables for the well-being of the industry and all residents of Quebec.

VISION

To be the leader that drives the growth of Quebec's fruit and vegetable industry.

VALUES

- Respect
- Integrity
- Responsibility
- Commitment
- Collaboration

GUIDING PRINCIPLES

- Act with a sustainable development mindset and perspective.
- Convey the knowledge and tools to facilitate the marketing of F&V in Quebec.
- Continuously improve governance and organizational structure to achieve our mission.

- Governance Committee
- Committee for the Review of the By-Laws

1. Establish the Association as the spokesperson for Quebec's fruit and vegetable

1. Position ourselves with the media, partners, and governments on matters that affect the entire F&V value chain in Quebec
2. Compile information and data, and conduct appropriate studies based on industry issues
3. Be a reference for our members and partners
4. Strengthen the QPMA's rôle as a facilitator and mediator between industry members and with decision-makers

Objectifs du projet

Chaire de recherche du Canada
en économie écologique

UNIVERSITÉ
L'AVALE

Impacts des CC

1. Identifier et caractériser les **impacts des changements climatiques** sur les acteurs de la chaîne d'approvisionnement de légumes frais, puis faire ressortir la **chaîne de transmission** des impacts.

Adaptation aux CC

2. Identifier des **mesures d'adaptation aux CC** et sélectionner les mesures qui permettent de favoriser une **adaptation structurante** pour l'ensemble de la chaîne.

Évaluation des coûts

3. Évaluer les **coûts d'investissement** de mesures d'adaptation au champ, ainsi que les **coûts évités/bénéfices**.

4. Estimer les **coûts de la perturbation** de la chaîne d'approvisionnement.

Activités de recherche

Chaire de recherche du Canada
en économie écologique

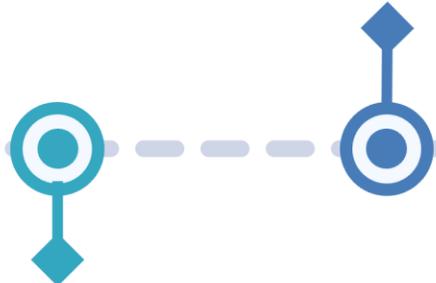

- Impacts des changements climatiques par acteur de la chaîne d'approvisionnement.
- Identification de mesures d'adaptation par acteur.
- Chaîne de transmission des impacts.

Entretiens semi-dirigés

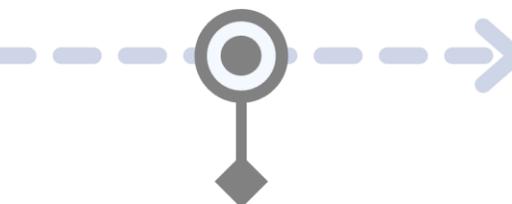

- Validation des impacts climatiques ressentis.
- Validation de la transmission des impacts à travers de la chaîne.
- Identification de mesures d'adaptation structurantes: par acteur et pour la chaîne.

Ateliers participatifs

Évaluer les coûts d'investissements nécessaires pour rendre la chaîne d'approvisionnement plus résiliente aux changements climatiques

- Analyse économique (investissements et coûts évités).

Estimer les coûts de la perturbation des chaînes d'approvisionnement

- Analyse économique.

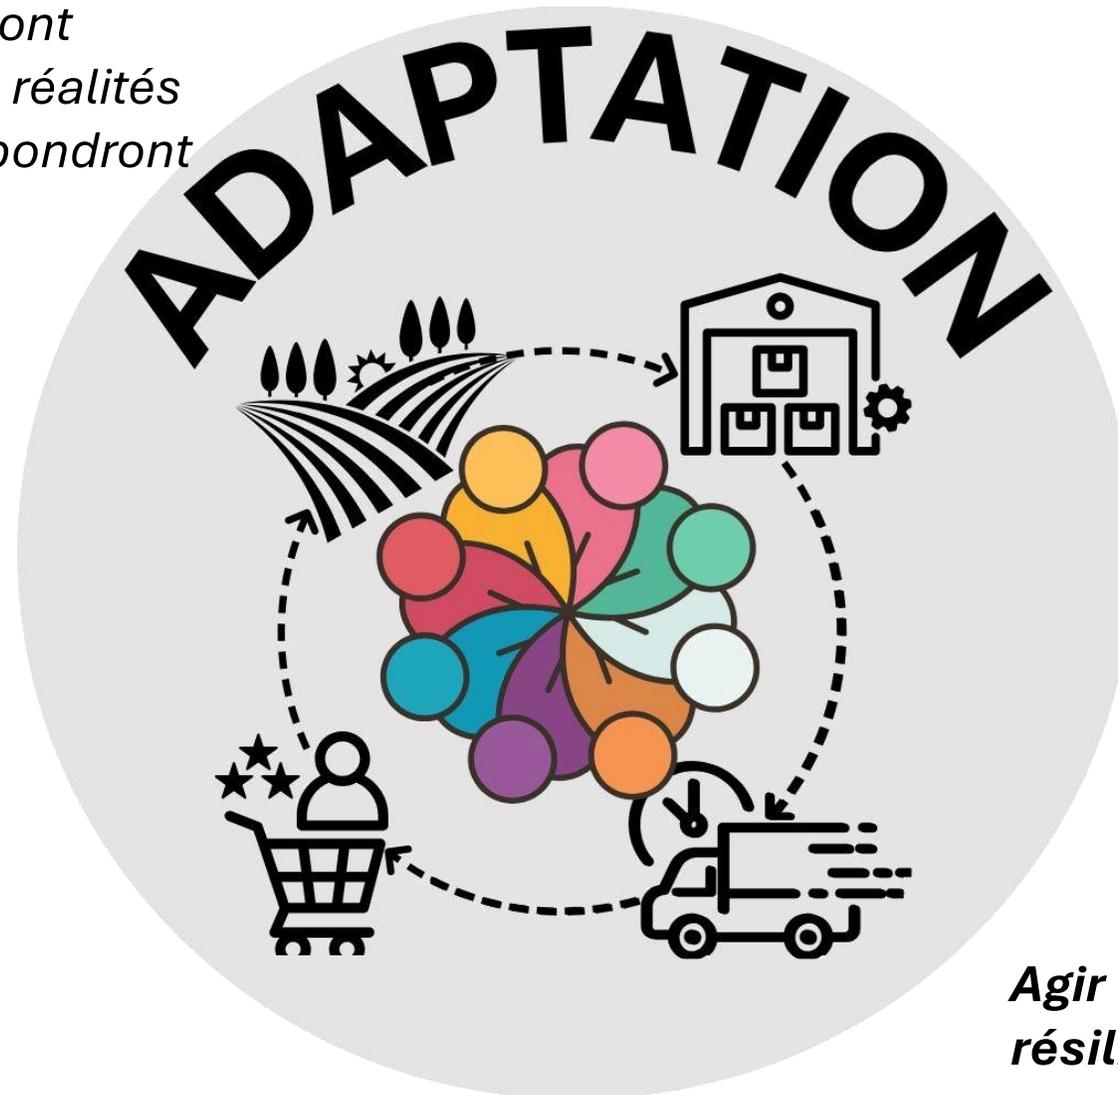

L'essentiel à retenir

Chaire de recherche du Canada
en économie écologique

Avec **votre contribution**,
les stratégies d'adaptation seront
pleinement ancrées dans les réalités
des acteurs de la chaîne et répondront
à vos **besoins concrets**.

***Agir ensemble pour une filière
résiliente.***

Merci!

The image shows a website header with a dark green background. On the left is a logo with a stylized 'J' inside a heart shape. To its right is a navigation menu with the following items: MENU, Recettes, Astuces, Calendrier, Conservation, Concours, and Campagne. On the far right of the header is a language selector labeled 'LANGUE' with 'Français' and a dropdown arrow, which is circled in red. Below the header is a hero section with a green background on the left and a photograph of a meal on the right. The text on the green background reads: 'Bientôt dans votre assiette, LES FRUITS ET LÉGUMES DU QUÉBEC!'. Below this text is a yellow button with the text 'EN SAVOIR PLUS'. In the bottom right corner of the hero section, there is a red button with the text 'CONCOURS'. The photograph shows a plate of food, a bowl of olives, a bowl of spices, and a bowl of hummus on a white tablecloth with a blue floral pattern.
